Choice of Indian Student
To study at Dehradun as it's one of
the most affordable Student City

At Guru Nanak College of Pharmaceutical Sciences, we are inspired by the timeless teachings of Guru Nanak Dev Ji. His emphasis on selfless service – **SEVA**, devotion to the divine - **SIMRAN**, and earning an honest living - **KIRAT-KARNI** shapes everything we do.

Guru Nanak Dev Ji believed in the equality of all human beings, regardless of caste, creed, or gender. This belief is at the heart of our college, creating a welcoming and inclusive environment where everyone is valued and respected. We strive to live in harmony with each other and with nature, adopting a sense of unity and peace within our community.

Our college is dedicated to the principles of righteousness and service to others. We aim to impart these values to our students, helping them become not just skilled professionals but also compassionate and ethical individuals. By following the path laid out by Guru Nanak Dev Ji, we hope to inspire our students to lead meaningful and fulfilling lives.

Guru Nanak College is more than just a place of learning; it is a community where the teachings of Guru Nanak Dev Ji guide us in everything we do, helping us all to strive for excellence, kindness, and a life of service.

Vision

At Guru Nanak College of Pharmaceutical Sciences, the vision is to create a learning environment that goes beyond traditional education. Inspired by Guru Nanak Dev Ji's teachings, the college focuses on '**Learning by Doing**', providing practical, hands-on experiences that equip students with real-world skills. The college endeavors to keep education affordable and promote an international culture, ensuring quality education is accessible to everyone, regardless of caste, creed, or gender. An inclusive community that values diversity and encourages lifelong learning is central to our vision.

Mission

- To combine digital knowledge with academic excellence by incorporating modern technology into the curriculum and ensuring students gain practical, hands-on experiences that develop real-world skills through 'Learning by Doing.'
- To support female students by encouraging entrepreneurial ventures and develop innovation, while providing resources and support services for physically challenged students, promoting independence and self-sufficiency.
- To maintain a faculty of experienced teachers, researchers, scientists, and professionals, and include industry experts in the management team for enriching students' learning experiences with corporate insights and expertise.
- To uplift defense wards, athletes, meritorious students, girls, and economically weaker sections by offering scholarships, and to support nearby villages by providing free education. This includes inspiring higher education, lifelong learning, and empowering students with educational guidance, medical assistance, and skills for a sustainable livelihood.
- To offer clear guidance on career paths, including jobs, research, entrepreneurship, and further studies in India and abroad.
- To support our students in researching and developing affordable generic medicines, via our advanced research resources and expert guidance ensuring accessible healthcare solutions for all with a no-profit-no-loss approach.

By focusing on these mission statement, the college aims to create a vibrant learning community where students gain practical experience, develop real-world skills, and make meaningful contributions to society in the near future.

Reasons to Gnc

With a dynamic social atmosphere, advanced facilities, globally respected education, and exceptional career prospects, Guru Nanak College of Pharmaceutical Sciences stands as an ideal destination for aspiring scholars. Here are our top 10 reasons why we believe you'll thrive at GNC.

1. Location

Guru Nanak College of Pharmaceutical Sciences is a gem nestled in the lush greenery of Dehradun, offering a perfect blend of tranquil study environments and city comforts. Our campus is a harmonious balance between nature and modern amenities, providing an ideal setting for learning and personal growth. Discover the charm of our location—a peaceful retreat to inspire your studies.

2. Reputation

Renowned for excellence, Guru Nanak College of Pharmaceutical Sciences is synonymous with quality education in the region. As an institution dedicated to intellectual rigor and innovation, we're acclaimed for our academic programs, distinguished faculty, and our commitment to student success. Our reputation is a testament to the achievements of our alumni and the quality of our teaching.

3. Community

Home to a diverse body of students, GNC celebrates a culture of inclusion and collaboration. With over thousands & thousand of student from various backgrounds, the campus life here is a tapestry of cultures, ideas, and friendships. Join us and be a part of a supportive network that cherishes diversity and fosters a sense of belonging.

4. Research Opportunities

Dive into research with our faculty's support at GNC, which is dedicated to advancing knowledge across disciplines. Our students engage in meaningful research that contributes to academic fields and addresses real-world problems, preparing them for a future of innovation and discovery.

5. Industry Connections

GNC's strategic partnerships with key industries provide students with unparalleled exposure to real-world experiences through internships and networking opportunities in India & Abroad. These collaborations ensure that our students graduate with not just a degree but with a professional network and career insights.

6. Inspirational Faculty

Learn from the best—our faculty are leaders in their fields, combining academic expertise with real-world experience. With a dedication to mentorship and a passion for teaching, they inspire students to exceed their potential and make a lasting impact in their chosen careers.

7. Career-Focused Programs

At GNC, education is aligned with career aspirations. Our programs are intricately designed to bridge the gap between academia and industry, ensuring you are job-ready upon graduation. With practical training, internships, and strong industry connections, your education here paves the way for a successful future.

8. Engaging Student Life

Life at GNC is a blend of learning and enjoyment. From cultural festivals to sports and clubs, our campus buzzes with activities that enrich the student experience. Engage in events that ignite your passions, cultivate new hobbies, and create memories that last a lifetime.

9. Sustainability Commitment

GNC prides itself on its eco-friendly campus, promoting sustainability in all aspects. We empower students to engage in green initiatives, fostering an environment-conscious community. Our dedication to sustainability not only enhances campus life but also instills responsible stewardship in our students.

10. Robust Infrastructure

Experience seamless learning with our robust infrastructure, encompassing a well-stocked library, seamless internet connectivity, and comfortable accommodation. Our campus infrastructure is the backbone of a learning environment that allows you to thrive and succeed.

A Leading College

Guru Nanak College of Pharmaceutical Sciences is one among the leading institutions of India, situated in the serene and academically vibrant city of Dehradun, has established itself as a prestigious center of higher education since its inception under the aegis of NIMS, Dehradun, a leading educational group since 2009. The college has become a top Pharmaceutical College in the region because of its expertise in pharmacy education. It has gained recognition as one of the most prestigious Pharmacy Colleges in Dehradun despite its short history.

Guru Nanak College of Pharmaceutical Sciences' culture is deeply committed to nurturing the development of the next generation of pharmaceutical professionals. This commitment goes beyond just teaching academics; the college takes pride in instilling values of innovation, ethical practice, and academic excellence. Through its diverse course offerings, it advocates for the belief that education is a crucial factor in personal and societal advancement.

Guru Nanak College of Pharmaceutical Sciences' collaboration with Career Buddy Club (CBC) is a special feature that distinguishes it from other colleges. CBC is a Dubai-based firm known for its extensive career guidance and mentoring. The college's commitment to career readiness has resulted in a remarkable job placement rate of up to 100% for graduates due to this partnership. The collaborations with CBC India and CBC Dubai further expand employment possibilities. India Accelerator's partnership exemplifies the college's commitment to developing entrepreneurial talent among students, which can help transform innovative ideas into successful ventures.

Teaching excellence Changing our world

“ Dear Students, Welcome back to another exciting year at our beloved college! As we reunite on campus, let's ignite our passions, foster friendships, and embrace every opportunity that comes our way. Together, let's write a story of resilience, excellence, and camaraderie. Here's to a year brimming with memorable experiences and remarkable achievements!

-Dr. Deepak Sharma
Principal **”**

“ I'm continually inspired by the curiosity of our Pharmaceutical science students. Together, we explore the intricacies of human health. My goal is to offer not just knowledge, but a personalized educational experience that empowers you to make groundbreaking contributions.

-Dr. Mohit Gupta **”**

Research-informed teaching

“ In our pharmacy program, every lecture I deliver is infused with my own experiences in the field, bringing the science of medicine to life. I strive to provide a personal touch, understanding each student's journey, and igniting the passion for pharmaceutical care that defines our profession.

-Dr. Kashif Hussain **”**

“ As a pharmacy faculty, I integrate real-world experiences into lectures, connecting theory to practice. Beyond the classroom, our library and pharma labs serve as extensions of learning, where personal connections deepen and a passion for pharmaceutical care is ignited. This comprehensive approach readies students for impactful healthcare contributions.

-Dr. Kirti Dabral **”**

“ We're thrilled to see familiar faces and meet new ones. Let's dive into learning, growing, and supporting each other. Remember, we're here to help you succeed every step of the way.

Dr. Abhishek Bharti **”**

“ As a Computer Science educator, I focus on nurturing innovative thinkers through hands-on learning. It's rewarding to guide students from curiosity to mastery, ready to face the tech world's challenges. My mission is to spark a lifelong passion for technology, laying the foundation for their future achievements.

Mr. Tarun Kumar Verma **”**

Singh Arora**
Campus Chairman

"Excellence, compassion, integrity building tomorrow's leaders."

Dear Students,

Welcome to a new chapter in your academic journey! It is my honor to serve as the Chairman of our esteemed institution, guiding and supporting you as you pursue your dreams and aspirations. As you immerse yourself in the rich tapestry of learning and discovery that our college offers, remember that the path to success is paved with hard work, dedication, and a thirst for knowledge. I encourage you to seize every opportunity to expand your horizons, challenge your limits, and make a positive impact on the world around you. Together, let us strive for excellence in all that we do, leaving a lasting legacy of integrity, innovation, and compassion.

With best regards,

Bhupinder Singh
**Chief Executive
Officer - CEO**

"Innovating tradition, shaping futures."

Dear Students,

Excited to have you all on board for an awesome ride at our college! As CEO, I'm all about making this place your second home - a space where you can dream big, hustle hard, and make lifelong memories. Let's jointly embrace every challenge as an opportunity, and every setback as a lesson. Together, let's create the kind of college experience that sparks creativity, fosters growth, and leaves a lasting impact. Here's to chasing dreams and creating magic together! We're all about setting you up for success too. Enroll with us and get ready for an unbeatable combo: **top-notch** education plus a job guarantee to kickstart your career. Let's bring everything we do – from GNC classes to extracurriculars, from making new friends to chasing big dreams. Together, let's make this legendary. Get ready for an epic adventure!

**Rajendra Kaur
Arora**
Vice Chairman

"Where Dreams Meet Determination and Excellence."

Dear Students,

Greetings from our college leadership team! As Vice Chairman, I'm thrilled to welcome you to a new academic year. Our college isn't just a place to study – it's a launchpad for your dreams, a hub of innovation, and a community that supports your journey every step of the way. So, buckle up for an exciting ride ahead! Embrace new experiences, challenge yourself to grow, and remember, your success is our priority. Let's make this year one for the books!

Vineet Arora
Chief Operating
Officer - COO

"Where Operations Spark Education."

Dear Students,

Welcome to our college! Here, academic excellence meets transparent operations, creating an environment where your growth is our priority. Our diverse disciplines, taught by experts, promise a dynamic learning experience. With our digital ERP system, accessing resources and services is a breeze, ensuring efficiency at every step.

But it's not just about academics; we value holistic development. Sports facilities await to unleash your athletic prowess, while our labs offer hands-on learning for real-world experience. Need to delve into research or expand your knowledge? Our library is your gateway to endless resources.

And when it comes to exams and results, expect fairness and transparency every time.

So, your college experience is what you make of it. Let's work together to make it extraordinary!

Labs

Our laboratories are more than just rooms - they are hubs of innovation and discovery. With advanced facilities across various disciplines, we provide the perfect setting for students to challenge conventions and push the boundaries of knowledge.

Our labs are equipped with the latest technology and resources to support a wide spectrum of scientific research and educational activities.

We believe in learning by doing. Here, you will get hands-on experience that brings theoretical knowledge to life. Under the guidance of our expert faculty, students conduct experiments, engage in research projects, and develop skills that are crucial for their future careers.

Libraries

Our library isn't just a collection of books - it's a gateway to the world's wisdom. It's where ideas bloom, knowledge thrives, and students find the resources they need to succeed. Our collection is rich with specialized texts, the latest medical journals, case studies, and an array of electronic databases that support and challenge our aspiring healthcare professionals.

With quiet study areas, group discussion rooms, and comfortable reading nooks, our library provides the perfect environment for every type of learner. Whether you're learning into research or enjoying a novel, you'll find a space that's conducive to your study habits.

Our library stands as a testament to our commitment to education and empowerment. We invite you to explore, learn, and grow with the resources provided at Guru Nanak College of Pharmaceutical Sciences' library—your sanctuary for learning.

JUST NOT ACADEMICS

Student life

“

Welcome to Guru Nanak College of Pharmaceutical Sciences. As the Chief Administrative Officer, I'm excited to share how our Enterprise Resource Planning (ERP) system streamlines your academic journey. From admission to graduation, all processes are integrated through our ERP, ensuring a seamless experience. This system facilitates our course registration, material access, fee management, and progress tracking effortlessly. Our commitment to using advanced technology simplifies administrative tasks, allowing you to focus on your education and growth. Join us for a modern, efficient educational experience at Guru Nanak College of Pharmaceutical Sciences, where your academic success is supported by advanced technology. Welcome to GNC!

”

Charanjeet Singh
Chief Administrative Officer - CAO

Your college experience goes well beyond outstanding classes and facilities. It's about getting all the support you need, right from the start until you graduate and even after. Our dedicated team is always here to help, ensuring you make the most of your journey with us. From day one, through to your graduation, we're with you every step.

Central to our vibrant campus life, our Student Life Hub unifies all student support services. In this innovative space, you'll find a wealth of resources and guidance to help with your academic journey, health & well-being, career preparation, financial management, and everything in between. Our commitment is to ensure you have easy access to the support you need, when you need it, as you navigate your college experience.

Where Taste Meets Tradition

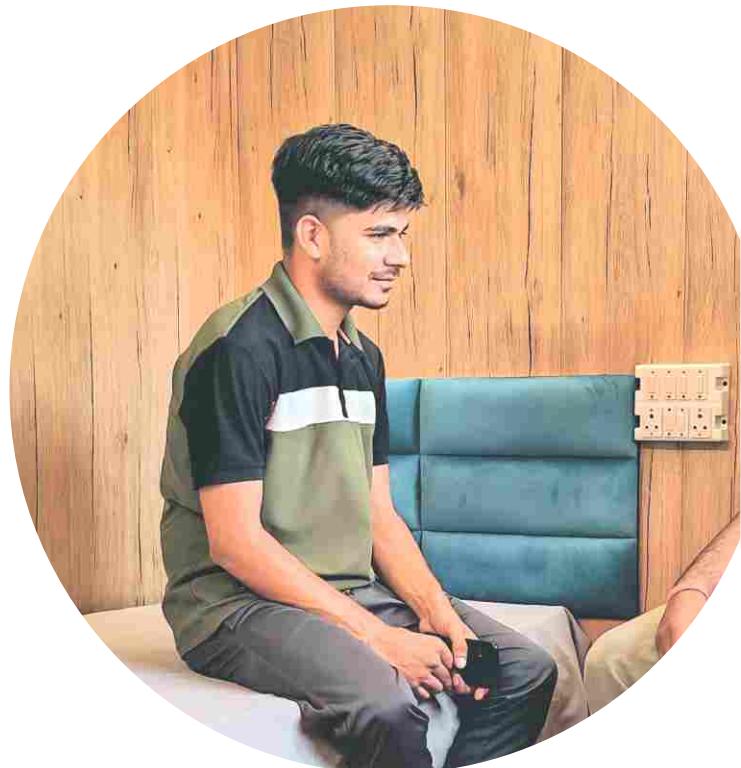

“

Welcome to the hostel facilities at Guru Nanak College of Pharmaceutical Sciences. As the Chief Hostel Officer, I ensure that your stay here feels like a home away from home, especially when it comes to meals. Our hostels pride themselves on serving homely normal Indian family food, prepared with care and tailored to satisfy diverse tastes and dietary needs. Each dish is served to remind you of home, using fresh, quality ingredients. Safety and comfort are also paramount, with 24/7 security and maintained amenities ensuring a secure and conducive living environment. Join us and enjoy a slice of home with every meal at our hostels. We look forward to making your time here comfortable and enjoyable.

Scholarship in Memory of Kalpana Chawla - First Female Astronaut of Indian Origin

- This scholarship, named to honor Kalpana Chawla's inspiring legacy, offers a 50% fee reduction for select seats.
- Eligibility may be based on academic excellence, financial need, or distinguished achievements.
- Aspiring students should contact GNC Dehradun for full details on applying and eligibility.

Please note:

Admission eligibility adheres strictly to the standards set by the University, State Government, AICTE, and UBTER. Acceptance is based on merit and contingent upon seat availability.

The foundational requirement for diploma programs is the completion of the 10th grade, while for bachelor's degree programs, a 10+2 qualification is necessary, with PCM, PCB, or relevant subjects as stipulated by University or State Government regulations.

For master's degree courses, a graduation degree is the prerequisite, with specifics such as PCM, CBZ, or others, according to University, AICTE, and UGC norms. Submission of entrance exam scores or selection letters is compulsory where required, in line with University, AICTE, State Government, and UGC guidelines.

Please note that this college prospectus is intended for informational purposes only and does not constitute a contract. The images within may be illustrative and do not guarantee the actual appearance of facilities. Admissions decisions, including the availability of courses and programs, are at the sole discretion of the Executive Committee and are subject to change based on institutional requirements. The college reserves the right to discontinue courses as necessary, whether currently in session or planned for the future.
