Decision making	2	4	2	2
Initiatives	7	2	1	0
Group working and leadership	1	4	3	2
Total number of organization/responses	10			

Overall Analysis:-

Employers commend the college for graduating students who are well-prepared and possess the essential skills for the workforce. They appreciate the institution's emphasis on practical knowledge and professional growth. However, employers have also shared valuable insights for improvement, such as increasing internship opportunities and strengthening collaboration between academia and industry. By implementing these suggestions, we can ensure our graduates stay competitive and continue to meet the changing needs of the job market.
